M - F: 9 am - 6 pm, Sat: 9 am - 1 pm

It's Easy

Patients of participating physicians are immediately eligible for savings on brand-name prescription drugs. It's easy, it's convenient, and it costs you nothing to sign up for this benefit.

Deepest discounts are available on brand-name medications. Generic drugs are always a better value. Ask your physician for advice on the best choice for your treatment. If you have to use a brand name drug, this plan offers the best pricing available.

How does this work? Because participating physicians are part of the local Federally Qualified Health Center, they can write prescriptions for most brand-name drugs at a significant price savings. These medications are conveniently obtained through the Medicine Shoppe on Sabattus Street in Lewiston, adjacent to St. Mary's Regional Medical Center.

If your doctor isn't on this list, it is easy to join a participating practice. There are 16 primary care and speciality practices in the central region of Maine. Look over the list on the back of this brochure, or call 207-777-8899 to find the participating physician that best meets you or your family's needs.

How To Use This Benefit

1. Contact your 340B participating physician. (To find a participating physician, call St. Mary's Physician Referral Line at 207-777-8899.)
2. Fill out the simple application, return it to your physician's office and receive a 340 B eligibility card.
3. Take your prescription to The Medicine Shoppe, 373 Sabattus Street, Lewiston, Maine. You may reach them by phone at 207-783-3539.
4. Show your 340B eligibility card.
5. Take home your prescription at a hefty savings.
